

# BENCHMARK PROJECT MANAGEMENT (UK) LTD CASE STUDY

## Title

Aerodrome Manoeuvring Area (AMA) Signage & Line Marking.

## General Scope:

An inspection & review of the existing airfield signage highlighted that the majority of the existing system was non-compliant, which had influenced the number of airfield incursions.

## Works included:

- A secondary BPM survey & report on the signage around the airfield.
- Consultation with SATCO (Senior Air Traffic Control Officer) to ascertain the new requirement & wording of signage.
- Production of Airfield Plan with proposed AMA signage and Line Marking.
- Remove existing non-compliant signage & steel posts in various surfaces.
- Remove existing high-level sign plates fixed to the side of buildings.
- Install new root fixed, frangible steel posts & new sign plates.
- Install new sign plates to the side of various buildings.
- Removal of non-compliant AMA line markings and the installation of new 'red' epoxide paint markings.

## Duration:

3 Months

## Client:

VIVO Defence Services

## Value:

£77,000.00

## Innovation:

- Close liaison with The Navy's SATCO to carefully consider all aspects of the new bespoke, but compliant AMA infrastructure.
