

**Project:** The Garth, Pembrokeshire  
**Date:** November 2020  
**Client:** Mr & Mrs Lowe  
**Value:** £22k  
**Specification:** Break out old drive and reconstruct new porous driveway with new gates, bollard lighting, chipping area and completed with 18mm depth of 6mm Winter Bronze.

**Client Comments:** “The boys have really done us proud and they’ve been a pleasure to have here”.

Original driveway was block paved and was looking old and tired.

Removal of existing driveway construction & rebuild with sub-base material.

6mm Winter Bronze SureSet being laid over an open graded binder course

Completed driveway with new timber gates.
